Learn the Words!

Over the Rafters

Verse 1:

Have some hors d'oeuvres
She said the night shift has already started
You lose your mind but you leave broken-hearted
Until next year you find it all still here

Chorus:

The midnight men move again, don't know when
Best friends forever, in trouble again
Here's to you, here's to me
Over the rafters and we're free

Verse 2:

Turn out the lights
The red hot lovers can't take the heat
Creative b.s. was no more, was no less
Look around, you're gonna miss what you found

Verse 3:

3 to 1 odds
Sometimes I wonder if they know what I mean
The loners, the lovers hidden under the covers
And in the end the truth escapes from them

Bridge:

Across the road to the dock, one more tick on my clock
One last goodbye
Catch a tear from my eye
Keep the hill... alive, alive, alive...

Happy Birthday!
