BA DUM TSSS

Once, somebody in high school was getting ready for prom and wanted to get things for the big date. He waited in line all morning to get a suit, waited in line all afternoon to get flowers, and then in a long line to get chocolate. Finally, at prom, he went to get some punch. But thankfully, *there was no punchline!*

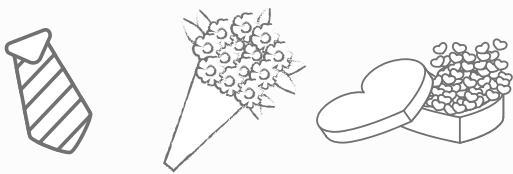

TABLE TALK

*If you don't know what to talk about during the meal, try some of these questions!
What would your dream house look like?
If you went to live on a space ship and could only bring 3 things with you, what would they be?
What kind of music do you like?
What's the last thing that made you laugh today?
